WMBEX Awards and Thank you for nominating us for the

MuniCode Services Ltd. would again like to thank the residents of Warman and Martensville for nominating our team for the Chamber of Commerce Business and Customer Service of the Year awards. *MuniCode* strives to provide quality service to over 40 municipalities across the province and these nominations are a great recognition of our hard work and dedication.

For over 20 years *MuniCode* has been assisting municipal governments in the enforcement of the Building and Fire Code requirements through plan review and inspections. We also work with building owners, health boards and architectural and engineering firms to provide consulting services for new and existing buildings.

MuniCode continues to grow and transform as a company in order to offer a high level of service to all clients in the ever-changing construction industry.

Congratulations Travis!

Travis started his career as a building official with *MuniCode Services* in 2015 after working for over 2 years as an architect and structural engineer.

Congratulations on this achievement!

Code changes that YOU need to know about!

On July 1, 2017 the Government of Saskatchewan plans to adopt the 2015 National Building Code of Canada. MuniCode has reviewed the changes and formulated the following list in order to better prepare homeowners and homebuilders of these new requirements.

Stairs

Handrails

Guardrails

Slab-on-Grade Dampproofing

Coming up in the Spring 2017 newsletter we will further discuss:

ACM and How it Affects Our Province and Municipalities

If you have any questions or comments we would love to hear from you! Email service@municode.ca and your question could be featured in this newsletter.
